

MOST DANGEROUS APPS YOUR KIDS MAY BE USING!

Houseparty – video chatting, allows predators to get kids info!

Kik – Allows any random stranger to message kids undetected

MeetMe – Any msg. anytime app uses GPS features for locating the device and helping the users to connect to those who are nearby.

Vine – A dangerous app used for video sharing online. It helps the users to send videos with a length of six seconds on the online platform. The application also helps in video sharing with unknowns using the same platform.

Chatruletka - social, “cam-chat” app that connects users with strangers around the world via randomly selected video calls.

INSTAGRAM - Because it is so popular with minors, Instagram is the site most used by child predators! Teen and Tween users tend to use the platform as a “digital diary,” sharing full names, phone numbers, email addresses, and even their exact locations. Additionally, Instagram posts are publicly viewable by default.

Naptime – Instagram related content

Tinder – Allows predators to locate kids

TikTok – Worldwide unrestricted video sharing

Facebook – Allows traffickers to attract, then groom or recruit anyone

Snapchat - #1 sexting app tied to “snap porn” and traffickers

Blendr - Kids using the app for sexting and sending nude selfies

Whisper - Sexual predators also use the app to locate and build relationships

Ask.fm – Cyber- bullying site associated with nine documented cases of suicide

Poof - Allows users to make other apps “disappear” on their phone

Omegle - Sexual predators use this app to find kids and track them

Periscope – traffickers target kids live and use GPS to track them

PARENT APPS – IT IS “PROTECTING” NOT “SPYING”!

BARK - monitors text messages, YouTube, emails, and 24 different social networks for potential safety concerns

KidsGuard Pro - App to monitor child's phone in a variety of ways. It can monitor by far more than 30 features, from current GPS location, geofence, texts, calls, browsing history, social media apps like Instagram, WhatsApp, which addresses the main concerns of a parent today.

Others:
